Pasadena, Calif., Jan. 16th, 1912.

H. Goldblatt Tool Co., Kansas City, Mo.

Gentlemen: Enclosed find money order for \$13.00, for which send me the following Plasterers' Brushes: 2 No. 03 Plasterers' Brushes and 2 No. 003 Plasterers' Brushes. The plasterers who are in my employ, as well as myself, do not believe there is another make of plasterers brushes on the market that will compare with yours, when it comes to quality.

Yours truly, EDW. WARD.

Dear Sirs: I received the Plumb Rule and Brick Hammer ordered a couple of days ago. The Brick Hammer suits me to a "T," just the right weight and well balanced, and the Plumb Rule is a "hum dinger."

Dear Sirs: Enclosed find \$4.10, for which please send me the Tools mentioned on enclosed order. Be sure you send a Goldblatt Trowel and no other kind. I have a Goldblatt Trowel that I have used for two years almost every day, has worn to less than four inches wide, but it is still as straight and true as the day I got it.

Dear Sirs: I received the Goldblatt Plastering Trowel and the Aluminum Hawk, and I am well pleased with both. I would never use a wood hawk again. The Trowel is certainly a beauty. You will hear from me again before very long, also from my friends,

Dear Sirs: Enclosed find \$2.00, for which please mail me one of your Goldblatt Plastering Trowels.
